Spring 2021

Dear Sir/Madam,

The **Anthony DeNoyior Memorial Foundation** was established in 2020, after Anthony lost his life due to complications caused by COVID 19.

The foundation is a not-for-profit organization. The mission of this organization is to continue to honor Anthony and his spirit by offering acts of kindness and/or provide support to those in need, based upon circumstance or those less fortunate.

Anthony was an incredible family man; a wonderful husband and father. He was equally incredible as a community figure, holding the position of Captain, Auxiliary Police Officer in the SCPD 1<sup>st</sup> precinct for two decades. His volunteerism did not stop there; he was a baseball coach for little league and travel teams throughout his years. He never turned away from a volunteer opportunity to help others.

Anthony was also a leader at one of the largest companies on Long Island; Broadridge Financial Solutions, Inc. for three decades. His leadership skills, integrity and humility were exemplified by his ability to guide others through difficult times and achieve success.
